**Fellowship for Weber At VPI for 3 Years**

David E. Weber, a son of Mr. and Mrs. Edwin Weber, 529 Jefferson Avenue, Venice, has been granted a three-year fellowship for graduate study at Virginia Polytechnic Institute, Blacksburg, Va., beginning in September.

The award is made under the National Defense Act and will be in the field of plant pathology, leading to a Ph.D. degree. Weber received his formal education in the Venice public schools and was graduated in 1959 from high school.

He attended Eastern Illinois University at Charleston and received his Bachelor of Science degree in Education in 1963. He is presently teaching in the science department at Wisconsin Township high school.

Polaroid Announces  
the Most Advanced  
Camera in the World

This is the brand new Polaroid Color Pack Camera. Even if it didn't give you a color picture in 50 seconds it would still be a camera to electronic shutter that can do things no camera could ever do before.

Color pictures in 50 seconds  
Beautiful full-color pictures are ready to enjoy just 50 seconds after you snap the shutter (and they don't even have to be coated).

Black-and-white pictures in 10 seconds  
Crisp, brilliant black-and-white pictures are ready in only 10 seconds. Development takes place outside this new camera.

New pack loads in 7 seconds  
A revolutionary new film pack makes loading simpler than ever before. Just open the back of the camera, flip the pack inside, pull a tab and you're ready to shoot.

Color flash pictures automatically  
The electronic shutter can read the light of a flashbulb and set the correct exposure automatically—all within the duration of the flash! No more special guides or settings for direct flash pictures.

Automatic time exposures  
The electronic shutter can make automatic time exposures for you up to several seconds long. Just press the button and when the shutter has measured enough light it closes itself.

Black-and-white pictures without flash  
If there's enough light to read a paper comfortably you can make black-and-white pictures without flash or sunlight. Pictures have a natural look, are quick and easy to snap.

Weights less than many 35mm cameras  
This is the smallest, lightest camera Polaroid has ever made, actually 10 pounds lighter than the most popular 35mm camera—lighter even than many 35mm's!

We have the new Polaroid Color Pack Camera

## 45% Quad-City

(Continued from page 1.)

secretary of state, John Kirby was given the Quad-City nod for auditor of public accounts, and the top local vote for attorney general went to William Stein. G. S. Mirza, unopposed, will face veteran Democrat Melvin Price in the November race for the 24th district seat in Congress.

Quad-Cityans gave 755 votes to Barry Goldwater for the Presidential nomination, compared to 386 for Margaret Chase Smith. And for delegates to the national nominating convention, Ralph Walker and Phyllis Schlafly won over Rolla Mott and Dr. E. L. Rauth. Walker in uncommitted and Mrs. Schlafly of Alton is committed to support Goldwater.

GOP Presidential write-ins were 88 for Henry Cabot Lodge and Richard Nixon 54, Alabama Gov. George Wallace received one vote.

**Democratic Battles**  
Quad-City Democrats wrote in President Johnson's name 6120 times Tuesday. There were 34 write-ins for Wallace, and 51 for Robert Kennedy.

For national convention delegates, Quad-Cityans gave 8468 votes to George McGovern of Granite City and 6245 to Maurice Joseph, St. Clair county sheriff. Dick H. Mudge Jr., retiring state attorney, who fought McGovern received 4128. For alternates, William Jenkins and Frank Summers ran unopposed.

Dr. W. W. Billings, Alton, incumbent coroner, ran far ahead of Raymond Bagbee, also of Alton, with Quad-City totals of 8575 to 1157.

The Quad-Cities also followed the levee board slot, but Granite City township, Thomas Hennessey topped the slateman, Morris Campbell.

Lloyd "Curly" Harris, Granite City, and Leland J. Kennedy, Alton, both incumbent representatives, topped Guy Laub better than 3-to-1 for the state representative nominating convention.

On the county level, Quad-City Democrats voted almost equally for Circuit Clerk Willard Portell; Recorder James Chapman; Auditor John Kravynak in their bids for re-election, and also for Joseph Bartylak for state attorney—all unopposed.

Melvin Price, also unopposed, led the field in votes with 10,529. The candidate with the lowest number of votes was Gov. Otto Kerner, seeking re-election 6120. All other unopposed state candidates received over 9000 votes in the Quad-Cities.

## Magistrate Records Undergo Audit Here

The records of Magistrate Gasparovic were audited Monday by John Kravynak, county auditor, and Milton Allen, chairman of the county officers committee of the Madison county board of supervisors.

The audit was made in accordance with a new policy established in the county to audit the books of all the former police magistrates and justices of the peace.

No report has been received on the audit.

A check of financial records of former Alton Justice of the Peace George M. Berry led to the arrest of Mrs. Nancy Matheon, 36, of Cottage Hills, his former clerk, on a criminal information filed by State Attorney Dick C. Mudge Jr. this week charging her with the theft of \$2326 over a 2½-year period.

She pleaded not guilty to the charge. Berry, who discovered the shortage, contacted Mudge and employed an investigator as auditor to check his financial records. Mrs. Matheon is at liberty on \$5000 bond for a hearing next Monday.

## Grand Jury Recalled For 20 Criminal Cases

The Madison county grand jury was recalled yesterday heard evidence in eight criminal scheduled for hearings on other cases, and then adjourned until Monday when it will begin deliberations on about 12 more.

The jury was dismissed for today as prosecutors from the state's attorney's office were criminal charges in circuit judge and magistrate court.

Included is a trial which opened today for Charles Wayne Dieus, 24, of St. Louis, in the Court of Associate Circuit Judge Fred Schuman. Dieus was arrested in 1961 by Granite City police on a narcotics charge.

## AFL-CIO Trust Fund Planned for Housing

A trust fund for construction of low-income housing to be built by AFL-CIO Unions in nearby areas was endorsed by 61 delegates at last night's meeting in the Labor Temple of the Tri-City Trades & Labor Council.

Edwin Reiske, council president, said 100% participation in the national trust fund would be required of local unions if the Quad-Cities are to benefit. "The idea of the Washington AFL-CIO office is not only to provide jobs for the construction trades but also to make housing available at lower rent scales than even at federal housing projects. Needs of a community also would be a determining factor."

In other business, the council heard reports from union leaders who participated in last week's school strike before the group adjourned to attend last night's school board meeting.

The council also authorized the St. Louis Hatters' Union request to distribute informational handbills in downtown Granite City.

**Two Drivers Jailed,  
Two Receive Probation**  
Two persons received jail terms and two others were placed on probation yesterday on driver's license charges as Magistrate Gasparovic continued a "tough" policy on penalties for license and other violations.

William Buckingham, 2111 Illinois avenue, was sentenced to three days in the city jail for having no driver's license. Two other charges were taken under advisement. He was arrested on Feb. 20.

Nathaniel Steele, 36, of 1025 Calhoun street, Venice, was placed on one year's probation and fined \$25 and costs for driving while his license was suspended.

Mrs. Elva Hand, 54, of 1743 Olive street, also was given a year's probation and fined \$25 and costs for having no driver's license. She was arrested on Feb. 28.

Magistrate Gasparovic said he was in complete accord with policies announced recently by Chief Circuit Judge Harold R. Clark.

**Mrs. Daisy Hinds, 84,  
Dies at Nursing Home**  
Mrs. Daisy Hinds, 84, of 201 Abbott street, Venice, died at 4 a.m. today at Alton Memorial Hospital. She told and fractured a hip Monday at the Main Street Nursing Home, Alton, and was taken to the hospital. She had been at the nursing home for a year.

"Mrs. Hinds lived in Venice most of her life. Her husband, Noah, died 26 years ago. She is survived by one grandchild and several nieces and nephews in the Quad-City area. An obituary notice is given elsewhere in this issue."

**Mrs. Ford Fined \$500,  
Gets Year's Probation**

Mrs. Norma Ford of Collinsville was placed on a year's probation, fined \$500 and costs today by Circuit Judge James O. Monroe Jr. She pleaded guilty to a charge of prostitution on Monday.

Mrs. Ford was fined \$500 and sentenced to one year in prison last year by then Justice of the Peace Earl Vuagniaux, who stayed \$250 of the fine and the prison sentence. She appealed to circuit court, which defaulted the case, but the Illinois appellate court ordered a jury trial. She then elected to enter a guilty plea.

**Mrs. Catherine Burgess  
Dies in Colorado**

Funeral services were held Tuesday for Mrs. Catherine Burgess of Colorado Springs, a former long-time resident of Granite City, who died at the home of a daughter, Mrs. Earl Thibaud, Colorado Springs.

Mrs. Burgess also is survived by a brother, Charles Burgess, 61, St. Louis, and two sisters, Mrs. Mary Schroeder, St. Louis, and Mrs. Irene Kastner, Los Angeles.

**Burglary Attempt**  
An attempt to burglarize an open front window of the Dunmire confectionery, 900 Third street, was thwarted by Venice police at 9:30 a.m. yesterday.

Your Merc dealer  
invites you to  
**compare**  
the fuel economy  
of a Merc  
with any  
competitor's  
outboard  
of similar  
horsepower

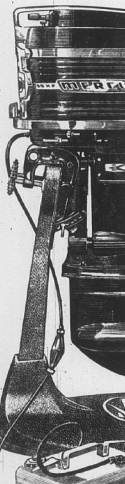

Fuel economy is engineered  
into every Mercury outboard.  
The small, short-stroke  
design is one of the reasons  
we can do it.

The small cylinders in a Merc  
are more efficient in convert-  
ing fuel into useful energy  
than the big cylinders found  
in other outboards. Harmful  
pre-ignition is minimized be-  
cause the combustion is more  
easily controlled in the small  
cylinders. Not to mention "big-  
bore" outboards. Merc's  
Power-Dome combustion cham-  
bers boost the power and  
further reduce fuel consump-  
tion.

Mercs tolerate a greater de-  
gree of spark advance which  
is necessary for maximum  
fuel efficiency at cruising  
speeds. This makes Merc's  
fuel economy linkage more  
effective than those on com-  
petitors' "big-bore" out-  
boards. Merc's fixed jet car-  
buretors and balanced intake  
manifold improve fuel econ-  
omy even more by metering  
out the exact amount of fuel  
an engine needs at any speed.

Mercury's lower unit design  
and Jet-Prop exhaust reduce  
underwater drag—giving you  
more efficient power at the  
prop. You get maximum  
mileage from every drop of  
fuel that you use.

Mercs will consistently give  
you more miles per gallon and  
more miles per hour than  
competitors' outboards. Your

other outboards. See him now. See

## Hiles Breaks Shot Put Mark Again But Warriors Lose Meet, Sophomore

Another new Granite City high school record in the shot put was set by Joe Hiles but the Warriors lost a triangular meet and a promising sophomore to boot here Tuesday afternoon.

Hiles, senior strongman who has broken the shot mark several times over the past two seasons, hit 56 feet 5 1/2 inches. Coach Jim Morrison said the old mark was 55-7 set by Hiles last year.

Granite City had only one other varsity winner, Mike Moince in the 440-yard dash—and finished third with 37 1/2 points. Missouri's Indians won with 59 and Edwardsville's Tigers were second with 50 1/2.

"The layout killed us," said Morrison, referring to last week's school custodial strike which killed all GCIS athletic teams. The Warriors had last year practice Monday, after a strike was called in the strike of the Warriors finished in 2:11.3.

"I'll take us another week to a week-and-a-half to get back to the point where we were before the strike," he said.

### Dwain Bridges Hurt

A track accident sidelined Dwain Bridges, sophomore pole vaulter and hurdler, with a sprained ankle. He will be out for at least two weeks, Morrison said.

He said Bridges was walking back down the track after finishing second in the sophomore low hurdles. "The boys started taking the hurdle down and I had another hurdle race and I yelled at them to leave them be. Dwain thought I was yelling at him, whirled around, slipped on

the edge of the track and sprained his ankle."

In the Warriors' first meet of the season, an indoor meet at St. Louis, Bridges had vaulted 12 feet—highest in history at the school. Of late, he has shown hurdling prowess and was considered a fine prospect.

The Warriors won the sophomore division with 73 1/2 points to 40 1/2 by Edwardsville and 25 by Mascoutah. Mick Moore of Edwardsville won three events, both low hurdles races and the high jump and Granite City's Gary Johnson won the shot put and discus.

### Moll Edges Hall

A highlight of the meet was the 800-yard run in which Mascoutah's Dave Moll beat Elton Hall of Granite City after neck-and-neck battle. Moll's time was a fine 2:05. Hall's was 2:08 and he called in the strike of the Warriors finished in 2:11.3.

Moll also won the mile run. Teammate Rich Hetrick also was a double winner, taking the high hurdles. The Indians' fine performance was no surprise—they had won the Class C position at the Oak Park Relays unofficial "state indoor championship."

Hiles finished second to Bob Hoskins of Edwardsville in the discus with a toss of 156-13 and teammate Ron Selph was third at 142-8 1/2. Moince's chief rival in the 440 was teammate Leonard Revelle. Both, in fact, were checked at 55-3, with Moince winning by a nose.

Starting at 4:30 p.m. tomorrow, the Warriors participate in the Southwestern Conference relays at Alton with the host school and East St. Louis ranking as favorites. Finals are slated for 7 p.m.

## GC Tennis Squad Extends Streak; Madison Drops 2

Coach Don Hartman's Granite City tennis team won its fourth prep match without a loss yesterday with a 5-0 whitewash at Collinsville.

The Warriors had beaten Madison, also 5-0, Monday afternoon. The Trojans also played last night, losing 4-1 at Roxana. The lone single victory, first for the Trojans this season, was by John Summers, veteran netter who moved over from the baseball squad. Madison is winless in three outings.

## Washenko's First-Place Tie Provides Madison Trackmen Only Taste Of Glory

John Washenko's tie for first place in the broad jump Tuesday gave the Madison Trojans their only taste of first place in the quadrangular track meet at Roxana high school.

The Trojans scored 18 1/2 points to finish fourth behind Roxana (87 1/2), Jerseyville (56 1/2) and Highland (37 1/2). Jerseyville was a late addition to an originally scheduled triangular.

Washenko tied at 19 feet six inches with Randy Robertson, all-around ace for the Roxana Shells. Robertson also won the 220-yard dash and the 100, taking the latter event in 20.2. That time ranks among the best by area preppers this season.

But other glory eluded the Trojans, hurt by an inexperienced squad this spring. The team managed four other thirds and two fourths.

Lester White was third in both the 100 and low hurdles. Ed Ingram was third in the shot put and the 880 relay team was No. 3. Wilbert Matthews in the

140 and Jim Lane in the 220 took fourths.

A double winner was Roxana's Tom Durham, who took the high hurdles in 17-8 and the low hurdles in 22-0.

Roxana's winning 880-yard relay team clicked off a 1:37, its best of the year, Jerseyville won the mile relay.

"Other winners included Highland's Neal Quimber, who took the 880 in 2:08.6, Roxana's Paul Crause, who high jumped 5-8, and his teammate Tom Thorp, who pole vaulted 10 feet."

Coach Dick Pickering's Madison squad will be idle until next Tuesday's Roxana Invitational.

## Prather Nips North In Triangular Meet As Three Boys Star

Filing up most of their points in the running events, Prather's Chiefs won a ninth grade triangular track meet Tuesday at Collinsville. Prather scored 57 1/2 points to Collinsville North's 56 1/2 and Collinsville Webster's 23.

After the races, the score stood Prather 45 1/2 and North 26 1/2. It was the opening meet of the season for the Chiefs.

Bill Davis, John Hagen and Mike Barnhart combined to score most of Prather's points. All three, along with Dave Potts, ran on the 440-yard relay team which won in 30.1.

Davis won both low hurdles races with times of 15.4 and 16.1. Hagen won the 100-yard dash in 11.1 and the 220 in 25.3 besides finishing second in the shot put and Barnhart won the broad jump at 17-5 and was second in the 440.

Others who placed for Prather were: Potts, second in both the 100 and five-hurdle lows; Dan Wilson, third in the 100; 10-hurdle lows and 220; Reggie Briggs, third in discus; Dave King, fourth in 880; Ken Strong, fourth in 440 and broad jump; and Ed Shalala and Ken Johnson who tied for fourth in pole vault.

Prather's 880 relay team finished second.

Trying to erect a tent after dark is an irritating business which the veteran camper avoids like poison ivy. But it happens to the best woodsman once in awhile. If you find yourself in the predicament of setting up camp after nightfall, don't fumble around doing the job by lantern light. Use your car's headlights to illuminate the area.

## Central Marks Up in On 10 Firsts

Central's eighth graders won 10 of 12 firsts Tuesday in winning a four-team track meet at Collinsville. The Indians tallied 80 points to Collinsville North's 40, Prather's 13 and Collinsville Webster's six.

Central had three double winners. Mike Ross won the 10-hurdle lows in 16:9; Ray Kahn won the 100-yard dash in 11.3 and the 220 in 26:8 was fourth in discus; and Carl McDowell won the high jump at five feet, 11-0.

## No-Hit Job Stops Madison's Jayvees

Madison high school's "junior" varsity baseball team was a victim of a five-inning no-hitter Monday at Cahokia.

Charley Tiemann of the young Comanches held the locals hitless while his mates piled up 10-0 lead, causing the game to end via the 10-run rule.

It was the fourth straight triumph for the Cahokia jayvees, who slugged six hits off two Madison hurlers.

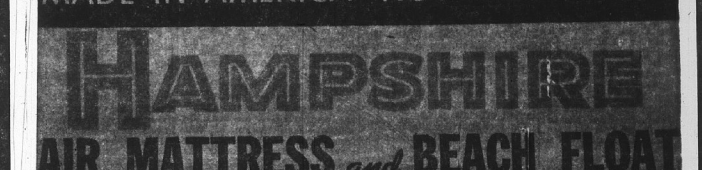

## NRA Appoints McCart

The National Rifle Association has appointed Earl J. McCarty, 2360 Lynch avenue, as its home firearms safety instructor. McCarty is now qualified to teach a new NRA course designed to help reduce shooting accidents in the home.

# DOWNSTATE FISHERMAN'S GUIDE

By C. A. FRAZER

(Compiled from area reports by the Southern Illinois University Information Service.)

A lunker bass weighing nine and three-quarter pounds emerged from the depths of Little Grassy Lake recently to establish a season record and maintain the impoundment's reputation as the top early season fishing spot in southern Illinois. The huge fish was caught by Andy Rometta of Marion on a deep-running spoon and bucktail lure (Heldviller) and lacked just a half-pound of equalling the state record, a 10 1/4-pounder caught at a mine pond near Harrisburg in late May.

Huck Ittensohn, operator of the Little Grassy boat dock who reported the catch, said other early season pro also made good catches during the week with a 7 1/2, a 6 1/2, and 5 and several more coming to the landing.

Crappie fishing was reported fair at Horseshoe Lake, where bass and crappie have been the spillover. The lake is high and murky.

"Too early in the season" was the report from Pope County where the sloughs and lower reaches of rivers feeding the Ohio are high and muddy. Farm ponds generally are muddy, kept that way by runoff from locally heavy rains.

## Bi-State Slates Express To Games

A special Quad-City Red Bird express bus line to all St. Louis Cardinals home games will again be operated this year, beginning with opening night next Wednesday, the Bi-State Transit Co. announced.

Buses will leave before the games from the Belleme Village shopping center parking lot. They will move south on Namoki road onto Madison avenue, west on 27th street, south on State street to 18th street, and onto Madison avenue and Broadway across the McKinley Bridge.

The return trip from the stadium will use the same route.

A change was announced from last year. A route from Niedringhaus avenue and Adams street is being eliminated as it did not receive sufficient use last year, transit officials said.

## GC Golfers Down Lebanon, 181-195; Kirchner Has 37

Pete Kirchner shot a one-over-par 37 Tuesday afternoon as Granite City High school opened the golf season with a 181-185 triumph over Lebanon at the Granite City Army Depot course.

Kirchner shot one birdie and two bogies. The Warriors won Wood River tomorrow at Rock Springs course in Alton. Tuesday's summary four four scores only count in team total.

Granite City 181—Pete Kirchner 37, Gary Sturdivant 46, Jerry Korfendoff 47, Paul Grove 51, Bob Yates 51, Lebanon 185—Joe Kaminski 47, Dave Barnett 50, Marvin McKinley 46, Hank Reynolds 52, David Heller 53.

## Run Out, Then Safe

# Kahoks Edge Out Warriors 3-2

A little white baseball became the big one that got away yesterday as the host Collinsville Kahoks edged Granite City's Warriors 3-2 in an extraordinary Southwestern Conference contest.

It happened in the last of the eighth with the score tied 2-2. With two outs, the Kahoks had a runner on first and second base. Kahoks' pitcher, Dave Russell, threw a clean single to left field. Gary Shemoney took off from second base as leftfielder Joe Fanning fielded. Fanning's throw was perfect.

Shemoney — not sliding — was tagged by catcher Joe Hauptman just as he crossed the plate and umpire Don Plarski gave him the thumb. But almost instantly Hauptman's mitt, apparently bumped by Shemoney's foot as he raced by, yielded the ball and victory belonged to the Kahoks.

The Warriors, who blanked East St. Louis here 10-0 the previous day, now stand 2-2 in the fifth of seven games in the conference and 7-3 overall.

**Hauptman Still Hitting!**

Hauptman, a big right-handed batter, continued his sensational hitting with two hits — a two-run homer and a run-scoring double against East St. Louis and two singles against Collinsville.

Those safeties brought his average to an eye-popping .519 — 14 hits in 27 at-bats. The combination of a walk, his single, a two-base error by leftfielder Dave Russell and a passed ball gave the Warriors their only two runs in the first inning.

The Kahoks came back to tie in the fifth on successive doubles by Darlington and Bill Eckart and Gary Gibson's single.

Right-handed Pat Harris pitched the first six innings but gave way to a pinch-hitter and reliever Terry Tessary, who took the last two innings. Dale Redour went the distance for Collinsville, allowing four hits and getting nine strikeouts.

## Two Wins Notched By GC Sophomores

Granite City's sophomores won two baseball games this week, downing East St. Louis 9-1 here Tuesday and winning 3-1 at Collinsville yesterday.

Three pitchers combined to limit Collinsville to one hit, a single. Darrell Wilfong, Dana Bakatos pitched three innings each and Bill O'Neill hurled the final frame.

Lakatos accounted for the young Warriors' first run with a homer, over the Fletcher Field fence at the 340-foot mark in right-centerfield.

Against East Side, Jim Rains had a run-batted-in via grand slam homer and two-run single. Greg Patton hit a triple. Rains, who started, struck out six in nine batters, and O'Neill who relieved, whiffed five of six.

# Trojans Eye Title Chase In MW Loop

Madison's Trojans have finally broken into the win column and now Coach Earl McClanahan's crew is ready to concentrate on pursuit of the Midwestern Conference baseball title.

At Cahokia Monday, they edged the Comanches 4-3 for their first 1964 victory—conference or otherwise. The triumph was preceded by three losses and a tie.

The Trojans are slated for conference games today at Rosana and Monday afternoon at Highland, the two early-season contenders for the championship.

Rosana is 4-1 and Highland is 1 in Midwestern play, followed by Bethalto 2-1, Cahokia, 2-2, Madison 1-2 and Dupo 4-0. Cahokia and Madison finished 1-2 last season.

Madison's game provided evidence that the Trojans are coming around.

**Pitching Plus Power**

Sophomore Tom Williams, who struck out 18 in a 4-4 tie in the team's previous outing at Dupo, was on target once more. He struck out 10, walked five and gave up just two hits.

Cahokia scored first with an unearned run in the second inning. But by the time the Comanches came up in the bottom of the seventh, the Trojans had a 4-1 lead.

They scored in the fourth on Jim Cronquist's solo homer to centerfield. Another was added in the sixth, thanks to Mike Dillon's single and Cronquist's run-scoring double. He was out trying to stretch it to a triple.

In the seventh, Alton singled, advanced on Harold Pinkley's sacrifice and rode home on Elwood Berserman's home run, leftfielder.

**Trouble In Seventh**

Williams fanned the first Comanche in the seventh inning but then a walk, hit batsman and wild pitch put runners on second and third base. Keith Rocha came through with a long ball to leftfield, scoring the two runs.

Richa, trying to tie the score, was thrown out at home plate from leftfielder Nick Podoba to shortstop Dillon to catcher Ted Nizinski. The final hitter, Don Vaughn, worked Williams for a 3-2 count before grounding out to end the game.

The first hit off Williams had been a Texas Leaguer by Ron Masters in the sixth inning. Losing pitcher Duane Galtier struck out eight and allowed nine hits.

"The good weather has given us more time outside," said an encouraged McClanahan. "With two good performances, I'd say Williams has nailed down a starting assignment. We made some good defensive plays and our hitting picked up."

Score by innings: R H E  
Madison 000 101 2-9 1  
Cahokia 010 000 2-3 2

## Speedway Being Readied For Season's 1st Race

Grading operations are under way this week at the Tri-City Speedway, near Mitchell, where stock car racing begins Saturday night.

Garlen Earless, an owner of the track, said work is also being done on the drag strip. The strip was used only eight times last season but plans call for regular Wednesday night drag this year starting April 29.

Leather-soled shoes slip very easily on boat decks, wet rocks and the pine needles and leaves on forest floors. Boating experts suggest outfitting everyone on your camping cruise with a good pair of boat shoes.

## Library Razes Church For Future Expansion

Razing of the old Zion Methodist Episcopal Church, 20th street and Cleveland blvd., began Tuesday to make room for future expansion of the Granite City public library. For the present the lot will be cleaned for parking.

Gerald Walters, president of the library board, said, "When the church building was purchased by the library three years ago, we did it for expansion purposes. However, as yet, there has been nothing definitely planned on the use of the property."

It is just a question of time until we have to expand. At least with this land we have something to make room for a structure on it to house our bookmobile."

Walters said that in the meantime, the land probably will be used as a parking lot for library patrons.

Besides the Zion Methodist Episcopal Church, the 63-year-old structure also housed the First Christian Church and the Church of Christ.

## Kurtak to Take Second Lie Detector Test

A preliminary hearing for Roy Kurtak, 33, of Marysville, charged with armed robbery at the Nabors-Hood liquor store on March 21, was continued again yesterday by Magistrate Gasparovic on the recommendation of Joseph Bartylak, assistant state's attorney.

Kurtak, who had voluntarily appeared before authorities upon learning that he was wanted, has agreed to take a second lie detector test in connection with the case. He remains free on \$2500 property bond. About \$717 was taken from the store in the robbery.

**New Housing Development**  
The council accepted a survey and plat of 4.13-acre tract for a 23-house development by John Sobol in an area around Edizbeth and Greenwood streets and Washington avenue.

It is located in the south extension of Granite City within the corporate limits of Madison and is termed the first addition to the Schermer subdivision. Sobol obtained the property from Manny Schermer.

One of the new streets, the first in many years for Madison, is to be named Kennedy drive, and Alderman Raymond Kozlark proposed dedication ceremonies. The mayor said arrangements could be made.

Construction of catch basins in alleys with drainage difficulties, in connection with the current storm sewer development was proposed and an investigation of feasibility and cost will be conducted.

Plans for improvement of Washington avenue are to be considered at the next meeting, and the mayor said dusty streets will be oiled as soon as the weather hits 70 degrees. The mayor said it will be only a temporary relief measure. Pulverized limestone placed on streets affected by new storm sewers is causing the nuisance, he said.

The East Side Levee & Sanitary District reported that the gate at the city's pumping station is "frozen" and the city must pay an estimated cost of \$700 to sandblast and lubricate the gate, according to previous agreements.

The council approved requests of Veterans of Foreign Wars Post 1300 to conduct its annual Buddy Poppy sale May 22-23 in Madison, and of Chapter One of the St. Louis Disabled American Veterans to solicit city residents by telephone for household articles to be renewed by disabled Americans.

## Harris, Kennedy Win over Lahr

Incumbent State Representative Lloyd "Curly" Harris, Granite City, and Leland J. Kennedy, Alton, scored easy victories over Granite City school teacher Guy Lahr in Tuesday's primary contest for the 53rd district nominating convention on June 1.

County-wide, Harris, always a strong vote-getter, received 18,137 votes, according to the unofficial tally of the 173 county precincts, while Kennedy garnered 17,875. Lahr's total was 5178.

In the Quad-Cities, the total vote of the 49 precincts showed Harris with 8520, Kennedy, 7623, and Lahr, 2431.

On the Republican ballot, Ralph T. Smith, an Alton attorney,

## Charges of Fighting

Arrested about 10:20 p.m. Wednesday on charges of fighting at the Evergreen tavern were Melvin Harvon, 22, of 2805 Marshall avenue, and Kenneth Wiggins, 24, of 2344 O'Hara avenue. They were released on \$25 bonds for hearings April 25.

## Faces Two Charges

## Grigsby To Speak

Continued From Page 1.

sent the award trophy to Hoelscher.

A past president of the Tri-Cities Chamber of Commerce and Granite City Rotary club and past Boy Scout and Coordinator Youth Services chairman, Grigsby was administrative head of the Granite City high school district from 1933 until the 1950 school merger.

Upon creation of the Granite City community unit school district in 1950, Grigsby was named superintendent, retaining the position until 1958, when he retired and became affiliated with Central Methodist College.

From 1934 to 1949, Hoelscher served as president of the high school board of education, having been first elected to the board the previous year.

In addition to their long association in school matters, Grigsby and Hoelscher were active participants in a wide range of civic service endeavors during their careers here. Hoelscher, manager and executive secretary of the Manufacturers' Association since 1936, retired Jan. 1.

His service on the school board is among the factors considered in selecting Hoelscher as the latest winner of the annual award. He was YMCA president 25 years, St. Elizabeth Hospital advisory board chairman, Community Chest president, School Citizens' Committee chairman, Cahokia Mound Boy Scout Council chairman and leader of many fund drives including a \$100,000 "Y" remodeling program financed solely by industries, and a hospital expansion drive which exceeded its goal by \$168,000, more than 25%.

The banquet will be held in the Granite City high school cafeteria, and seating will be limited to 300.

Tickets costing \$5 are available and may be obtained by calling the Retailers office at TR. 6-4424.

Auto Distributor Stolen

Richard Huff, 305 Paradise lane, reported to police last night that a distributor was stolen from his auto while it was parked in the 2300 block of Waterman avenue.

## Convention Bound— Moran, Joseph; Walker, Schlafly

The hotly-contested race for delegates to the Democratic national nominating committee brought easy victories to George J. Moran, Granite City attorney,

and St. Clair County Sheriff Maurice F. Joseph. They won over Dick Mudge of Edwardsville, retiring state's attorney, who was without central committee support in Madison and St. Clair counties.

In the two counties, Moran's vote was 36,959, including 16,769 in Madison county and 20,190 in St. Clair county. Joseph's total was 36,054 (13,051 and 23,003), and Mudge received a total of

13,787 (11,114 and 2673). Delegates for the Republican national convention will be Ralph D. Walker, an East St. Louis attorney, who is uncommitted, and Mrs. Phyllis Schlafly of Alton, who is committed to Goldwater.

Mrs. Schlafly received a total of 9362 (5939 and 3423) and Walker, 9103 (4200 and 4903). Their opponents, Rolla J. Mottaz of Alton and Dr. E. L. Rauth,

Motorist's Attention

Diverted — Minor Crash

Blaze Magyar, 18, of 2125 Manley avenue, told police he was involved in an accident in the 300 block of Wabash avenue Tuesday night because he thought he saw a prowler in the corner service station and was looking inside the window as he drove by.

Magyar was going north on Wabash and his auto collided with a parked car belonging to Annabelle Sheppard of Edwardsville.

A meeting of the board of the Granite City Education Association was held Monday evening at Niedringhaus school to plan next week's election meeting.

The general meeting for all members will be held Monday at 4 p.m. at Niedringhaus school. Officers are to be elected at the meeting and teachers retiring this year are to be honored.

Mrs. Lucy Parrish, president, announced the appointment of Miss Margaret Barker, fourth grade teacher at Niedringhaus school, as a delegate from the Marquette Division of the Illinois Education Association to the convention of the National Education Association in Seattle, Wash., in June.

Dale Rex, principal of Emerson school, reported on the IEA meeting which he and Miss Parrish attended, and Harold Briggs, principal of Mitchell school and president-elect of the Marquette Division of IEA, discussed the fall meeting of the division, scheduled for Oct. 9 in West junior high school in Alton. Miss Parrish reviewed the delegate assembly meeting of the division in Carrollton which she and Miss Barker attended.

A charter from the National IEA was presented to the local group. Members were invited to attend a seminar of the National Classroom Teachers Association to be held at the regional conference in Rockford.

Mary-Martha Class Meeting A monthly meeting of the Mary-Martha Class of Grace Baptist Church was held Tuesday evening at the church with Mrs. Lola Miller, vice-president, in charge.

Prayer was offered by Mrs. Leola Huffstahl, and the Scripture was read by Mrs. Miller. Devotions were given by Mrs. Marie Montgomery. The topic was prayer. After the closing prayer, refreshments were served by Mrs. Alma Dorway, hostess, assisted by Mrs. Nezzie McRoney.

The next meeting will be held in the home of Mrs. Huffstahl, 2601 East 24th street.

## Fire Safety Is PTA Topic

The April meeting of the Venice PTA was held Monday evening at the school. Guests for the evening were members of the Venice fire department, who spoke to the group on fire safety in the home.

A movie was shown and demonstrations of fire hazards were presented. Firemen participating were Chief William McLean, Henry Devany, Michael Leatherman and Charles Dumas.

A business session was conducted by the president, Mrs. Marcella Boushara, and reports were given. Final plans were discussed for a bake sale to be held Saturday.

Tentative plans were discussed for a school picnic to be held in May. Following the business session, refreshments were served by the ninth grade room parents.

## Greeters Meet At Rush Home

Mrs. Carrie Rush was hostess to the Tri-City Greeters at a meeting in her home, 2187a Lee avenue, Tuesday evening.

Sixteen were present, including two guests, Mrs. Eileen Kovalik and Mrs. Ann Grakdanoff.

After the short business session the group took part in games and prizes were won by Mrs. Virginia Collier, Mrs. Rudy Shipley and Mrs. Joyce Barnes. Others present to whom the hostess served refreshments were Mesdames Virginia Craft, Dean Davis, Louise Ison, Beverly Justin, Carol Moski, Marge O'Neill, Vera Rodell, Helen Roussin, Esther Schwartz, and Joyce Genness.

The club will meet May 19 at the Rose Bowl when the newly-elected officers will be installed.

## Men's Day Planned At Friendship Baptist

Dr. Robert H. Steinkeller, a professor at Northwestern Illinois University, will be guest speaker at a Men's Day program to be given Sunday, April 26 at 8 p.m. at the Friendship Baptist Church, 381 Merced street, Venice, according to an announcement by the pastor, Rev. J. C. Calmes. His topic will be "What Is an Education?"

Dr. Steinkeller has taught school at elementary and secondary levels and is currently teaching at the university level. Dr. Steinkeller served in the U.S. Navy from 1942 to 1954. His present rank is lieutenant commander. He holds a Bachelor of Education degree from O'Connell State College, a Master of Education from the University of Missouri and is now a professor at Northwestern Illinois University, Alton and East St. Louis campuses.

## Cancer Drive Fashion Show Models Named

Models for the April 3 cancer fund fashion show sponsored by the Welcome Wagon club, were announced today by Mrs. Judy Shipley, chairman of the event. The show will be held at the Rose Bowl restaurant.

The models are: Mrs. Bonnie Engstrom, Mrs. Diana Molinsky, Society.

## School Election Canvassed; Bid Awards, Hiring

A canvass of the April 11 election results at Tuesday night's Granite City school board meeting showed no changes from the unofficial totals. Robert Crier, with 1543 votes, and Dr. E. W. Walton, with 1442, were seated as board members.

The 4386 votes, including 91 spoiled and 10 absentee ballots, consisted of 612 at Niedringhaus school, 570 at Frohardt school, 522 at Nameoki school, 367 at Washington school, 346 at Mitchell school, 308 at Maryville school, 288 at Webster, 292 at Marshall, 202 at Emerson, 172 at McKinley, 171 at Logan, 139 at Lake, 125 at Wilson school, 120 at Pontoon Beach, 104 at Stallings school and 48 at the Madison precinct.

A comparison tally submitted to the board showed the number of ballots at each precinct in the past five board elections. The turnout totaled 2103 in 1960, 4512 in 1962, 2428 in 1962, 2908 in 1963 and 4386 this year.

Supt. Harold M. Kaiser and George Stidham for their service to the school district as board members during the past three years. Fricker was president in 1963-64 and Stidham had been secretary for the past two years.

Under noted that custodians who had been on strike last week "donated their time and effort to prepare the schools for the election."

**Pay Deduction**

In a brief discussion of the plan to withhold pay from those who had been on strike last week, it was decided to figure the deduction on the basis of teaching pay rather than the total pay of athletic coaches. Some sport seasons are complete, and some of the postponed spring games and meets will be rescheduled, Dr. Kaiser said.

The superintendent said he would check the condition of the Prather junior high school baseball diamond prior to its scheduled use yesterday.

A telegram from Cong. Melvin Price reported federal ap-

proval of \$140,331 as yearly aid to the Granite City district for operation and maintenance costs.

Of the amount provided under Public Law 874, \$105,248 has been cleared for immediate payment. Dr. Kaiser recalled making several trips to urge the latest extension of "impact" aid to districts teaching children of persons employed at non-taxing federal projects.

The board authorized the Granite City high school band to make a tour to Houston and Galveston, Tex., May 5-10. No tax funds are used for the yearly band trips. Insurance for a Granite City high school tennis meet slated at Champaign Saturday was approved.

**Kindergarten Registration**

Kindergarten registration dates were announced April 27 at Webster, Nameoki and Niedringhaus schools, April 28 at Mitchell, Logan and McKinley schools, April 29 at Marshall, Washington and Stallings schools, April 30 at Maryville and Emerson schools and May 1 at Wilson, Frohardt and Lake schools. Hours will be 9 a.m. to 3 p.m.

To be eligible for registration, children must be five years of age on or before Dec. 31, 1964.

A birth certificate must be presented when registering, and health examinations should be obtained before starting the fall term, Dr. Kaiser explained.

Present grade school boundaries will be followed in conducting the registration.

Resignations effective June 5 were accepted Tuesday night from Miss Claudette Beamer, 4988 Benton street, who was March school physical education teacher, who is accepting an overseas assignment; Mrs. Marilyn Woodard, Niedringhaus school fifth grade teacher; and Mrs. Charlene Wintner, 3811 Nameoki road, a GCHS librarian, whose husband is being transferred.

**Teachers' Pay 1964-65**

Elementary teachers employed for the 1964-65 school year were Miss Ida Louise Kieffer, Mount Carmel, a 1964 graduate of Mount State College, and Miss Loretta Sue Woolbright, Centuria, Ill., who is receiving a master's degree this year from Southern Illinois University.

Miss Diane Ficke, East St. Louis, 1964 bachelor degree from the University of Illinois, will teach English at GCHS, while Miss Vicki Hall, Ellettsville, Ky., will be an English and Spanish teacher at GCHS.

**Inspection At Emerson**

With a delegation of Emerson grade school parents visiting the board to discuss the general condition of the building, Supt. Kaiser and Architect Sylvester Duigeroff made plans to inspect the school and report back to the board and the parents. Mrs. Newell Danner was spokesman for the group.

It was reported that repairs have been started on the Frohardt cafeteria dishwashing machine. Repair of a tractor rotary mower used at GCHS was authorized.

Drapery material costing \$123 was purchased from Morlack and P. N. Hirsch for Central junior high school home economics room. Bids were opened on equipment insurance, musical instrument supplies, hardware and typewriters.

Bid awards voted were as follows: State Road & RV Co. \$260 replacement air-conditioners for GCHS and Coolidge junior high offices, \$250 total; Dick Dumm Co., backboard material, \$372 a square yard; Clements Co., map rails, source of supply for a year beginning April 1, 32 cents a lineal foot (14 cents for each map hook); and Thomson Fax, \$379, Schiller Co. \$170, and Stanley Photo Service, \$134, audio-visual equipment.

It was voted 5-2, with Robert Spengler and Ralph Fricker dissenting, to award boiler insurance to Fidelity and Casualty Co. of New York. Norman Holsinger agent, on its bid of \$4100 for three years.

The American Motorists Insurance Co. will be queried about a dividend which was implied would be paid but which has not yet been received. The probable dividend had been taken into account in a previous bid acceptance, board members said.

Bills paid amounted to \$28,085 in the educational fund, \$12,679 in the transportation fund, \$1888 in the building fund and \$31,652 in the cafeteria fund.

**HOLY NAME SOCIETY SELFS FILM ON VACATIONS**  
The Holy Name Society of St. Elizabeth Church held a monthly meeting Tuesday evening in the school cafeteria. The meeting was opened with recital of the Holy Name pledge by the members, led by President Reginald Mennerick.

Arthur Koepfer introduced Richard Koepfer and Richard Logan, who presented the Holy Name Society with two trophies which were won by the basketball team sponsored by the society. The team is a participant in the parochial league in this area.

Pat Busch, retreat chairman for Kings House in Belleville, reported that 18 men have signed up for a retreat which will be held May 22-24.

Menneick reported that tickets are still available for a social that will be held April 24 at the Knights of Columbus hall. It was announced that a fish fry will be held April 24, with John Jakich in charge.

The president mentioned that the Altar Society will hold a breakfast May 3 at the school cafeteria. The school picnic will be May 21 at Wilson Park, with John Garmati acting as chairman.

Guest for the evening was Col. James A. Irwin of Scott Air Force Base, who presented a film on vacations to the group. The film was entitled "Treasures of the World."

Refreshments were served. The next meeting will be held May 12.

**MARYVILLE PTA PLANS SCHOOL PICNIC**  
A regular monthly meeting of the Maryville PTA executive board was held Tuesday evening in the school. The president, Mrs. Pat Baumbarger, opened the business session.

A discussion was held on sending the safety patrols on their annual trip. This year, they will go to a baseball game played by the St. Louis Cardinals May 16. School Safety Patrol Day in the metropolitan area.

The board also made plans for the annual school picnic, which will be held May 28 at Wilson Park. Mrs. Dorothy Luckert and Mrs. Dorothy Byers volunteered to be co-chairman of the picnic committee.

It was announced that a film will be available for the PTA program Tuesday evening. The film will deal with elementary school children.

## GC and Jacksonville Car Theft Exchange

Auto thieves made an exchange in Jacksonville, according to events recorded Tuesday by Granite City police.

A 1964 two-door auto owned by Edgar Platt, East St. Louis, was stolen Tuesday morning from the 2100 block of Grand avenue and was found about 7:40 p.m. in Jacksonville by state troopers.

Two hours later, Granite City police located a 1961 model auto, reported stolen from Jacksonville. It was abandoned in the 1500 block at Kirkpatrick Homes.

## Bend Road News

MRS. EILEEN ROBINSON, TR 6-5268

**SHOTGUN CONTEST**  
The Horseshoe Lake Rod and Gun club held a shotgun shoot Sunday. Participants were Virgil Layton, Terry Colborn, Bob Weaver, Steve Weaver and Joe Robinson.

First prize went to Robinson, Weaver, Steve Weaver and Joe Robinson. A pistol shoot was started Sunday and will run five weeks, with a party to be held May 14.

**WEDDING IN OHIO**  
Mr. and Mrs. Ray Harlan and family of Bend road were in Fairborn, O. over the weekend to attend the wedding of their son, Airman 2/c Ray Harlan, and Miss Connie Hartinger of Dayton, O. The ceremony was performed at Wood City Chapel, Wright-Patterson Air Force Base.

The newlyweds returned home with their parents for several days' visit.

**Order Guler Gets State Charter to Make Pipes**  
A state corporation has been issued to Order Guler, 2024 State street, for Guler, Ltd., a manufacture and market smoking pipes, smoking accessories, chess sets, jewelry and objects d'art, including the import and export of all these items.

The corporation has authority to issue 300 shares of stock with no par value.

A Parent and Teacher Expect From Your PTA? It will be a panel discussion, and all are asked to come prepared with suggestions and questions written out.

The Frohardt PTA contributes \$50 to the PTA school scholarship fund, and at the meeting Tuesday evening a lifetime membership or a distinguished member scroll will be presented.

## Historical Society Meeting Here May 17

Edson Smith, superintendent of the Madison County Historical Society, with committee members, Mrs. John E. Lee, and Mrs. Austin Lewis, met Wednesday afternoon at the Chain of Rocks canal locks with the lockmaster, Roy Elliott, to complete plans for the annual spring meeting of the society. It will take place at the locks Sunday, May 17, at 2:30 p.m.

The early history of the Tri-Cities will be discussed at the meeting by several prominent speakers whose names will be announced at a later date.

## Simpkins to Direct Music Festival in Edgar County

Warren G. Simpkins, director of vocal music at Granite City high school, will be guest conductor at Edgar county junior high school vocal festival tomorrow in Paris, Ill.

Over 1250 students from 10 schools will participate in the program with rehearsal during the day and a public concert in the evening. GCIS students are not participating.

**Name Correction**  
Mrs. William (Audrey) Weidner, Venice, is the daughter of Charles Fields, 75, of Venice who died Saturday. Her name appeared incorrectly in Monday's Press-Record.

## Elks Install Kenney As Exalted Ruler

James R. Kenney was installed as exalted ruler at Tuesday night's meeting of the Elks club, which was conducted by William A. Tarris, past exalted ruler.

Other officers installed were: Anthony Michel, esteemed leading knight; Richard Foy, esteemed loyal knight; Loren Davis, esteemed lecturing knight; Edward C. Jenkins, secretary; Arthur Buente, treasurer; Edwin Yackel, C. O. Parker and Bill Campbell, trustees; Charles Campbell, chaplain; George Schwager, inner guard, and Fred C. Bueckle, tiler.

In a business session, plans were made to send 25 members to Champaign this weekend to compete in the Elks state bowling tournament and for the "playboy" dance scheduled April 25 at the local club.

## Coolidge Band to Give Concert Next Thursday

The Coolidge junior high school band will give its spring concert at 8 p.m. next Thursday in the senior high school auditorium, Robert D. Todoroff, director, announced.

Todoroff said selections will range from classical to modern music. There are 110 pupils in the band.

Don't force your advice upon those whose friendship you desire.

they normally eat immediately after the polling place is closed at 6 p.m., but that the foot was late in arriving.

"I called Miss Hotz (county clerk) at Edwardsville, and she told me to notify the city police. I told her that would do no good," Hennessey said.

"Then I contacted the sheriff's

office and also tried to reach Dick Allen (assistant state's attorney). Deputy Sheriff John Cooper arrived later, but I never did reach Allen or anyone in the state's attorney's office. The deputy talked briefly to Costoff, but that was all," Hennessey said.

**No Mention Of Ballots**

Costoff said he was seated in the barber shop window away from the judges when Hennessey entered the polling place and that Hennessey didn't say a word to him. "He just stood by a barber chair," Costoff said, he also talked briefly to Deputy Cooper when he arrived, but nothing was mentioned about ballots.

Hennessey told the Press-

Record he did not plan to take any official action. "I have to work for a living, and I don't have the time to go around chasing down public officials, but what I saw could have been seen by anyone going by the polling place."

Hennessey added that he was giving the information to the newspaper to let people know what is going on in the precincts and the difficulty that is encountered in trying to reach public officials.

Miss Hotz told the Press-Record she talked to Hennessey on election night and advised him to notify the city police since her office does not police the polling places.

They were recited by the sisters of the parish at 7:15 p.m., the Altar Society at 7:30 p.m., the Scouts at 8:00 p.m., the Holy Name Society at 8:30 p.m., the Catholic Youth Organization at 9 p.m., the parish Mothers' Club at 9:30 p.m., the Fathers

Club at 10 p.m., and the Trifolium City Knights of Columbus Council at 10:30 p.m.

Attending the rites were members of the clergy throughout the Springfield diocese, the St. Louis area and many friends and parishioners. The cortege left for the cemetery after the Mass where grave-side rites were conducted.

The fourth degree assembly of the Knights of Columbus posted honor guards at the church during the series of Rosaries last night and at the cemetery today.

In charge of arrangements locally were Revs. David Yuskas and Walter Weerts, assistant pastors at Sacred Heart.

MRS. LENNA WILLIAMS  
1638 Sixth Street  
TR. 7-0317

### MISS HACKETT CLASS PRESIDENT

Mrs. Norma Hillmer was hostess to the Peppy class of the First United Presbyterian Church of Madison in her home, 1670 Third street, Tuesday evening.

Further plans were made for a mother-and-daughter banquet at 6 p.m. May 9 in the church dining room, with dinner being served by members of the Peppy class.

An election of officers was held, with Miss Irene Hackett being named president; Mrs. Clara Lux, secretary; Mrs. Joyce Walker, treasurer; and Mrs. Clara Lux, treasurer. The officers will take over at the May meeting.

A social time was enjoyed with games played and prizes awarded to Mrs. Hazel Hanson and Miss Irene Hackett and Luella McCoid. Mrs. Janet Colquhoun was a guest for the evening.

Other members present were Miss Dorothy Hanson, Miss Opal McFarland, Mrs. Taylor, Mrs. Lux and Mrs. Walker. The May meeting will be held in the home of Miss McFarland. Lunch was served by the hostess.

**ATTEND FUNERAL**  
Mrs. Gertrude Ashford of Madison and Mrs. Mary Knoblach of Wood River motored to Virden, Ill., Tuesday to attend the funeral of Mr. John Lechner of Palmyra, Ill., an uncle of Mrs. Ashford.

Mrs. and Mrs. Charles Smith of Lexington, Ky., spent the past week with Mr. and Mrs. Art Simmons, 1132 Reynolds street, and are on their way to New York. Scott is a brother of Mr. Simmons.

**MRS. OSTREICH HOSTESS**  
Mrs. Frances Ostreich was hostess to the Jolly Matrons club and invited guests in her home 31 Garretts Highway, Tuesday. A one o'clock luncheon was served by the hostess after which games were played.

Winners for the afternoon were Mrs. Julia Pearce, first; Mrs. Johanna Migovich, second; and Mrs. Lucille Klug, third.

Others playing were Mrs. Wainona Baker, Mrs. Barbara Wood, Mrs. Anna Mae Murphy, Mrs. Lottie Ostresh and the guests, Mrs. Wilma Ostresh, Mrs. Pat Murphy, Mrs. Eudene Walker and Mrs. Minnie Cluser of Richmond, Mo.

The next meeting will be held in the home of Mrs. Lottie Ostresh, 2034 Thirtieth street, on April 28. The birthday of Mrs. Betty Prendel will be observed.

Observing her ninth birthday, Sandra Kay Seini was the honored guest at a family dinner served Tuesday in the home of Mr. and Mrs. Lester Thiele, 1409 St. Clair avenue. A decorated cake adorned the dinner table, which was covered with appropriate rappings.

Birthday decorations were used as well. Mrs. Thiele and her daughter, Sandra, were the guests of honor, and her grandparents, Mr. and Mrs. Thiele, many guests were present.

**VERNON HALLS TO HEAD JUNIOR SERVICE CLUB**  
Mrs. Jean Voegel, Mrs. Jackie Frazee, Mrs. Gladys Zakas and Mrs. Georgeann Skinner were guests at a meeting of the Madison Junior Service Club Tuesday night. They will be initiated as members at the meeting of May 12.

Dinner was served at the Trojan restaurant, with Mrs. Billie Bosworth, Mrs. Delores Gasho, Mrs. Kathryn Jones and Mrs. Lenna Williams as hostesses. The president, Mrs. Hilda Gravelle, presented Harry Johnson, son postmaster, who spoke to the group on use of the Zip-Code, being faster and more accurate delivery of mail.

The group voted to renew purchase of concert tickets. The luncheon dinner is to be held May 12 at Andrews' in East St.

The 20th District associational meeting will be held at the hall on Apr. 28, at which time a reception for Mrs. Veach, district treasurer, will be held. Sandwiches and coffee were served.

Cub Scouts of Den Two met Tuesday in the home of Mrs. Bernadine Weidner, den mother. The time was spent in bird watching and nature study. Nature study is the theme of the pack meeting to be held Apr. 28 at the First Methodist Church. Mrs. Weidner showed the boys a number of bird houses.

A play was practiced by the boys, who also watched two can-

balls and two bluejays as they built nests in trees at the leaders' home. A trip to a farm is planned for the near future. The meeting was closed with the "living circle" by Chris Skoklo, Billy Weidner, Russell Robinson, Eddie Kosteski, Frank Derner, Jerry Dragich, Robert Richert and Richard Shrum.

The Golden Circle class of First Baptist Church met Tuesday evening with Mrs. Diane Sexton, Mrs. Phyllis Papamarkoff led prayer and gave the devotion. Roll call was responded to with "Ways to Trip Others," given by Mrs. Helen Micklen, Mrs. Alice Gerhart, Mrs. Elva Jean Weiss, Mrs. Sexton and the teacher, Mrs. Pauline Binkley.

The hostess served refreshments to those mentioned and guests Richard and Rhonda Micklen, Dorothy Papamarkoff, Karen Brown and Mrs. Georgia Brown.

The Cleaners Sunday school class of Temple Baptist Church met Tuesday evening in the home of Mrs. Allie Wilmoth, 1546 Third street.

A Bible quiz was conducted by Mrs. Margaret Taylor, with response from the members, who included Mrs. Edith Collins, Mrs. Thelma Shadmon, Mrs. Alice Arnold, Mrs. Edna Chamberlain, Mrs. Myrtle Melvick and Mrs. Wilmoth. The hostess served refreshments prior to Mrs. Shadmon inviting the members to her home May 12.

Kevin Weener celebrated his seventh birthday Sunday. A party was given by his parents, Mr. and Mrs. Gerald Weener in their home, 2020 Sixth street.

Many gifts were opened by the honoree, and a cake was made especially for the observance, with a cowboy and Indian theme. Games were played.

Present were the grandparents, Mr. and Mrs. Charles Weener and Mr. and Mrs. Pete Feurka, and Mr. and Mrs. Joseph Nott and son, Gerald, Mr. and Mrs. William Schurke and children, William, Margaret Anne and Mary Ellen, Mr. and Mrs. Pete Feurka Jr. and sons, Pete and Nick, Thomas Zelenka and daughters, Elizabeth Ann, Ellen Ruth and Cynthia, and Kathleen and Keith Werner, sister and brother of the honoree.

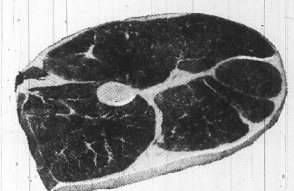

A musical program highlighted the 41st anniversary tea Sunday of the Women's Progressive club, with vocal solos by Elaine Weston, Harlan Johnson, Denise Weston and Edna Jones; piano solos by Jeanne Griggs, Brice Ford, Patricia Smith and Larry Acoux; a saxophone solo by Tim Bennett; and a reading by Waldina Silas.

Mrs. Margaret Ashbrook took part in the presentation of the club and Mrs. Corrine Silas, president, presided. Mrs. Jewell Green presented the history of the club and Mrs. Corrine Silas, president, presided. Mrs. Jewell Green presented the history of the club and Mrs. Corrine Silas, president, presided.

About 75 persons attended.

## 13 Teen Towners What To Study in College To Attend YMCA's Troubles Some Students Youth Legislature

Thirteen members of the YMCA teenage department will participate in the 13th session of the Illinois Youth Legislature on the YMCA's Youth and Government program on Friday and Saturday of next week in the Capitol building at Springfield.

Of the local "Y" members participating, Judy Matras will serve as sergeant-at-arms of the House.

Susan Vesel and Ruth Barney will introduce a bill relating to the revision of the Illinois school code, Sec. 26-1, that the minimum age requirement of 16 for compulsory attendance be changed to 17 years old.

Annette Gasparovic and Janet Barton will introduce a bill relating to the ownership and transportation of firearms.

Delores Baumgardner, Sharon Luebber and Sandy Kelly will offer a bill for an act relating to

(This is the second in a series of four articles for high school students entering college next fall and their parents.)

When a high school senior decides he wants to enter the University of Illinois he must, to a certain extent, make a decision concerning his choice of careers.

This is because a student makes his application to a particular college of the university, the University is quite flexible in this respect.

**Late Choices**  
As William M. Gilbert, director of student counseling service at the university, pointed out: "Many of our most successful students make relatively late choices and the program in high school and in colleges and universities are of such a nature that a person can usually make even significant shifts from one vocation area to another without any important loss of time."

"So don't be concerned," said Gilbert, "if your son or daughter has not made an early vocational choice."

A student should not hold back from registering at college because he is not certain that a particular vocation will always be his choice. He should, after careful consideration, decide which area he feels is his best choice and then apply to the college at the university which deals with that area.

During the coming summer the student counseling service at the university will offer individual interviews to all entering freshmen who have taken the freshman guidance examinations.

The interviews provide an opportunity for students to learn the results of their examinations so they can discuss their individual aptitudes, interests and problems. They may see then how their choices are related to their college careers and vocational plans.

The counseling service is available to a student at any time during his college career.

## New Ford Mustang Will Go On Display

A new line of Ford cars, the Mustang, goes on display here tomorrow at B. E. Hohl, Inc., 1837 Madison avenue.

Ford announced the new line combines the styling and features of expensive European road cars with American mass-production price, compact economy and traditional Ford quality.

The Mustang comes in hardtop and convertible models with bucket seats and adequate trunk space. Standard equipment includes bucket seats, molded nylon carpeting, floor-mounted shift, all-steel interior, padded instrument panel and full wheel covers.

Options include selection of three V-8 engines up to 271 horsepower and four-speed transmission.

The Mustang is low — four feet, three inches tall — with an overall length of 181.6 inches and a width of 68 inches.

## 13 Doctoral Fields At SIU Accredited

The Southern Illinois University doctoral programs in 13 fields of study have been given preliminary accreditation by the North Central Association Commission on Colleges and Universities.

Preliminary accreditation means the programs will be subject to continuing review prior to consideration for full accreditation.

The fields are anthropology, biology, economics, education, English, government, microbiology, philosophy, psychology, sociology, speech, speech correction and zoology.

SIU President Delyte W. Morris said "we are determined that our doctoral program shall be of high quality and we will continue to commit our resources and our constant efforts toward that end. We wish to express our appreciation to the NCA for all that it has done and is doing to assist us as we try to bring this program to maturity."

## Students Urged To Refuse To Indulge In Smoking Habit

Pay Page, state superintendent of public instruction, announced today that a bulletin on "Smoking and Health" has been distributed to schools throughout the state.

The bulletin urges schools to take appropriate action so that students be "given scientific facts about smoking in the hope that they will make wise decisions by refusing to indulge in the habit of smoking."

State law requires that instruction be given in all grades below the second year of high school and above the third grade on the nature and effect of alcoholic drinks and narcotics.

Page said that while the law does not specifically mention cigarettes, he feels that the law might logically be extended to include cigarettes, especially in view of the report of the advisory committee to the United States surgeon general linking smoking to cancer.

Page said that it is not solely the job of the school to discourage smoking but also calls for efforts by parent groups and health departments. He said it is vitally important that provisions are implemented that will discourage students from indulging in the hazardous practice of smoking.

He said his office is developing curriculum material on teaching kits on the subject and they should be available for the next school year.

## Middleton, ISU Choir To Sing In Area Schools

James Middleton, son of Mr. and Mrs. Zeno Middleton, 2349 Carlson avenue, is a member of the 63-voice Illinois State University choir which will go on its annual spring tour on Tuesday and Wednesday.

Stops will include East St. Louis high school at 2 p.m. Tuesday, Monticello Junior college, Godfrey, at 8 p.m. Tuesday, and Edwardsville high school at 10 a.m. Wednesday. Middleton is a junior on the campus at Normal.

## County ISU Club Will Meet May 5th

The annual spring dinner meeting of the Madison County ISU Club will be held in Edwardsville on Tuesday, May 5.

Scheduled for 6:30 p.m. (DST) at Rusty's Cafe, the affair is open to parents of students from the Madison county area now attending Illinois State University as well as to alumni and former students.

Miss Joan Edwards, Edwardsville, president of the Madison County ISU Club, is accepting reservations. Other officers of the club assisting with arrangements for the meeting include the vice-president, Ross Rosenthal, 3101 Madison avenue, Granite City, who is in charge of the program, and the secretary-treasurer, Miss Allene Spernal, Edwardsville, who is in charge of publicity.

Dr. James E. Patterson, professor of geography at ISU, will speak on "The Canyon Country of the Southwest."

## Miss Hinson Named To Yearbook Staff

Miss Joan Hinson, daughter of Mr. and Mrs. Elmo Hinson, 1538 Cottage avenue, has been elected proofreading editor of the yearbook staff at Illinois Wesleyan University, Bloomington. The yearbook is named, "Wesleyana."

Miss Hinson is a sophomore majoring in business administration. She is a member of Alpha Gamma Delta sorority and also has been active as a member of Alpha Lambda Delta, Women's Sports Association, chapel choir. She also has appeared on the dean's list.

## 13 Girl Scout Leaders Attend Badge Workshop

A workshop for Girl Scout Junior Leaders and consultants to study badge awards was held Monday at First United Presbyterian Church, 22nd street and Delmar avenue.

The trainers were Mrs. Margaret Wampler, District 4 adviser, and Mrs. Martha Bollinger, troop consultant.

Those attending were Mesdames Alma Jean Cowart, Mabel Gertsch, Ann McDonald, Helen Santagato, Sophia Greene, Joan Oram, Denise Schmitz, Doris Votaw, Margaret McCalla, Alice Hunsinger, Bette Rea, Shirley Brown and Dolores Moede.

The workshop stressed that badges earned by Girl Scouts require proficiency in the specified work and are not to be considered merely as rewards for accomplishment.

The group divided into three badge-work groups, breaking down each item required to accomplish badges and determine what has to be done within the troop.

Sign of the arrow and sign of the star were discussed in detail.

## Reminder Issued To Lamb Producers

Madison county lamb producers were reminded today of the importance of keeping complete records to support their applications for payment under the national wool program. The reminder was being given by Lee Rogers, office manager of the Madison County Agricultural Stabilization and Conservation Committee.

He emphasized that lamb producers are eligible to receive payment on the resale of lambs still unshorn or on sale of wool if program applications include:

- (1) the number of head and liveweight of unshorn lambs purchased or
- (2) a statement that he purchased "none."

Rogers also announced payments totaling \$2880 were sent last week to 97 producers in the unshorn lambs program and 107 producers in the wool program for the county.

"This incentive program is designed by Congress to encourage annual production of 300 million pounds of shorn wool in the United States. Actual production is about 249 million pounds. The program is expected to generate about \$14,450 income this year for Madison county."

### Jet-smooth Luxury Chevrolet

**makes roads feel as smooth as the maps they're printed on**

Run your finger over a road map and find yourself a place to go. That's a preview of how it feels to get there in a Jet-smooth Chevrolet Impala.

We've put what we think is the best suspension system in its class under this great highway performer. A big husky coil spring at each wheel and double-action shock absorbers to soak up bumps. Over 700 sound deadeners throughout the chassis and that spacious body by Fisher to blot out noise from road and wind.

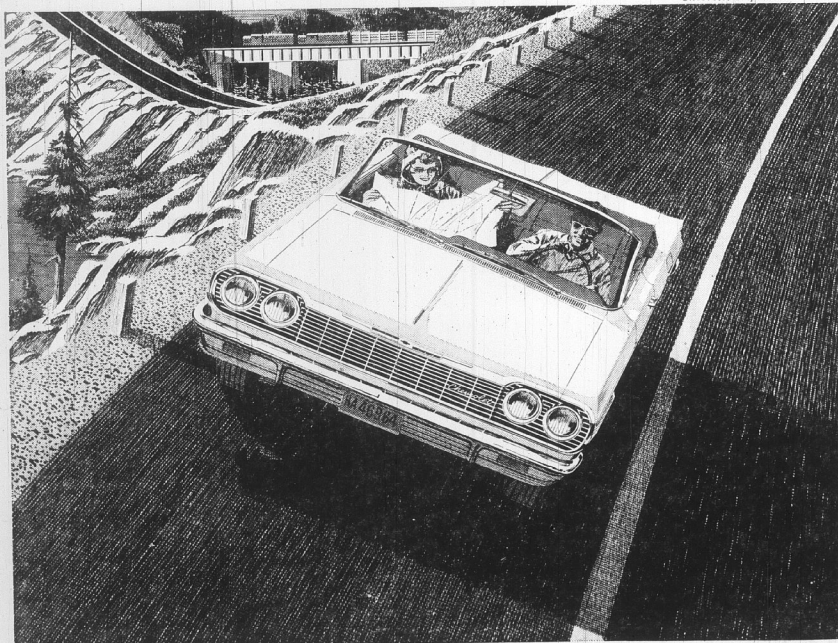

FOR THE GREAT HIGHWAY PERFORMERS

There's a lot of other Jet-smooth luxury, too. Wide seats with foam-cushioning front and rear. Luxurious wall-to-wall deep-twist carpeting (this year it comes with even the lowliest priced Biscaynes). A choice of seven great engines, all precision-balanced for smoother tuning, with four smooth-shifting transmissions to match. Everything that makes Chevrolet the great highway performer it is.

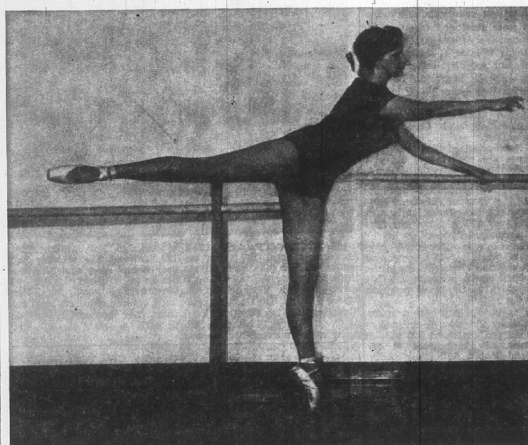

So get out those road maps. And wherever your trip might take you, get off to a good start—during Trade 'N' Travel Time at your Chevrolet dealer's.

## 7-Point Pact Sets Phase II For Air Pollution Study

An agreement outlining activities for phase II of the Interstate Air Pollution Study involving the Quad-Cities has been approved subject to confirmation May 14 by representatives of the 12 participating agencies.

Phase II of the pact gives top priority to seven activities essential to complete the project by the end of 1965—the gathering of information for the development of a comprehensive clean air program for the Illinois-Missouri metropolitan area.

The seven activities include—

1. An air resource management program to specify the action necessary to ensure that air pollution does not endanger public health. This would include a time schedule and a plan for financing.
2. Continued operation of the 33-station air sampling network developed during phase I.
3. Inventory of sources of air pollution.
4. A uniform method of recording complaints from the public and compiling the data for the participating agencies.
5. A subcommittee to recommend air quality standards.
6. A subcommittee to draft proposed regulations for control of air pollution.
7. A project report.

## Permission Asked To Close Station

Special From Springfield

A petition has been filed with the Illinois Commerce Commission by the New York Central Railroad Co., asking ICC approval to discontinue its freight station at 20th street and railroad tracks.

The railroad says no passenger service is provided at the station and that freight billing and handling for Granite City has been handled through the line's East St. Louis station.

The station is operated jointly by the New York Central and Gulf, Mobile & Ohio Railroad Co. Norman Dorsch, agent for the GM&O, said he has received no word of similar action by his company.

"Actually," he said, "this freight station has been unofficially closed for both New York Central and GM&O for the past couple of years." Virtually all freight has been rerouted to East St. Louis, he said.

The New York Central petition also points out that Granite City is included in the St. Louis switching district in which carload freight service is provided by the switching delivery cars.

## Seven Other Steps

Seven other activities are planned if funds and manpower are available. They include studies of odors and dusts and their impact on the air pollution; a public information program, assistance to industries and local agencies in dealing with specific air pollution problems; a survey of industrial management and its impact on air pollution programs; an analysis of the potential impact of air pollution on the future of the central areas of the cities and an effort to develop a system for assessing weather conditions which might lead to unusual accumulations of air pollution in the area.

The agreement, reached at the St. Louis office of the Interstate Air Pollution Study, is to be signed by the agency representatives May 14 at the St. Louis city hall. The research activities will be conducted primarily by the U. S. Public Health Service.

Agencies representing Illinois include the state Air Pollution Control Board and Department of Public Health, the East Side Health District and the Bi-State Development Agency.

## Building Permits Total \$96,625 for 19 Projects in GC

Nineteen building permits listing values totaling \$96,625 have been issued this month by Earl Bloomquist, building inspector, and City Clerk A. L. Stevens.

The largest was obtained by Minn. Power Co., Niedringhaus and Delmar avenue, for remodeling and alterations now under way at its office building at a cost of \$72,000.

Another went to A. O. Smith Co. to extend its parking lot and for repairs at a cost of \$11,725. A third was issued to the P. J. Dorsch, 1929 Cleveland blvd., to raise a two-story house to make way for remodeling and expansion of his funeral home facilities. The building has been demolished.

A permit for a sign to be installed at Jennings market, 2262 St. Louis, was issued to Maurice Signs, Alton, to cost \$10,000. Ten permits for remodeling and repairs to homes went to the following: Walter Bowles, 2223 East 24th street, general repairs, new roof, siding and porch, \$10,000; Mrs. Rena Mosby, 2613 Woodland avenue, rebuild porch, \$700; Birkie Hillis, 2750 Washington avenue, rebuild porch and install asbestos siding, \$10,000; Myrna Latham, 2828 Myrtle avenue, erect porch roof, \$1,000; Howard Henry, 1728 Spring avenue, aluminum siding and downspouts, \$1,000.

Martin Schulte, 3410 Grand avenue, raise garage and erect canopy over door, \$100; Edward Adams, 2401 Missouri avenue, aluminum siding, windows, door and concrete steps, \$2,700; Milton Kuzma, 2638 Adams street, new roof (storm damage), \$800; H. P. Deason, 2524 Grand avenue, replace roof, \$650; and Wallace Johnson, 2675 Washington avenue, repair storm damage, \$50.

Permits for garages and carports were issued to Don Cain, 3262 Franklin avenue, carport, \$800, and Charles Gray, 2643 East 26th street, garage, \$1,500.

A permit for an addition was issued to William Lamb, 3100 Willow avenue, erect a metal utility building, \$400. Permits also were obtained by Lowell Travis, 1929 Benton street, to remove garage across the alley, \$150, and Edward Ruebhausen, 4016 Rode avenue, a utility shed, \$150.

## Quit-Smoking Clinic Starts Here Sunday

A two-day plan to quit smoking, sponsored by the Seventh-day Adventist Church, will be conducted beginning Sunday night at the YMCA. It was announced by Victor B. Brown, a director of the program and district superintendent for Alton and East St. Louis Seventh-day Adventist churches.

Brown said that he and Dr. Robert Weaver, Granite City Army Depot captain, will hold group therapy sessions for one hour each evening and added that these sessions will include lectures and discussions on the physiological as well as psychological aspects of the smoking problem, films on smoking and its harmful effects, and exchange of experiences by participants as they fight the habit under the five-day plan.

"Another part of the program, he stated, 'would be a special booklet entitled "Your Five-Day Plan," that will be given to those participating in the clinic.' Brown said the personal booklet will tell the individual what to do at critical times during the five days.

He continued, "The third part of our program, the buddy system, is similar to that used by Alcoholics Anonymous and is a vital part of our over-all job."

According to Brown, there will be a follow-up after the course closes.

## Home Construction Booms In County's Rural Area

New homes being built in rural areas of the county accounted for 73 of the 93 building permits issued in March by County Building Official Charles Erpamer at Edwardsville.

During March, the total value of new structures was set at \$1,248,700, of which \$1,253,000 was for the 73 homes. Other March permits were 12 for garages and additions, valued at \$11,200; five for commercial buildings, \$59,300; and a duplex residence, \$25,000.

Two permits were issued for churches, including one for a garage to be built for the rectory of St. John's Baptist Church.

In the first three months of the year, 199 construction permits have been issued by the county, compared to 147 for the same period in 1963. Of the 199 permits, 158 were for homes.

The institute, sponsored by the National Science Foundation, will provide a stipend and additional expenses for Stuart and the other science teachers taking part in the program.

Stuart, a 1961 graduate of Missouri Valley College, will be taking courses in the history and philosophy of science, seminar on general science teachers and fundamentals of chemistry.

There will also be special lectures in astronomy, geology and biochemistry as well as a field trip by train to Chicago.

## Parents Organization Makes Activity Plans

Activity plans were made for the rest of April and May by the Parents Without Partners Club at a monthly meeting Monday at Collinsville.

The club scheduled a dinner for installation of officers Saturday at Belleville, a skating party April 26 at East St. Louis, and a picnic May 23 at Forest Park, St. Louis. The latter two events are for children.

Club members from Granite City present were Pat Jarvis, Thelma Dutton, Florence Day, Barbara Pooley, Edna Jones, Alice Reeder, Mildred Walker and Gladys Harris.

## Ordered To Leave City

A 42-year-old former Venice resident alleged to have purchased all tires on an auto parked on Main street during the week-end was ordered to leave the city before being released at 4:50 p.m. Monday.

## City Continues Talks on Treatment Plant Site Lease

Meetings yesterday and today between the city council's Special Pollution Committee and officials at the Granite City Army Depot are expected to result in an agreement on a lease for location of the city's sewage treatment plant and also possibly an outline of a proposal for operation of the plant.

Announcement of the meetings was made Monday night by the committee chairman, Alderman Charles W. Moerlein, during a meeting of council committee chairmen at the city hall.

The seven chairmen present also discussed sewer rental fees for apartment buildings in the Nameoki area, permit procedures for individuals wanting sewer connections, updating the city's master growth plan and the need for liability insurance.

The committee chairman can take no official action at the second Monday-of-the-month meeting, but they usually discuss items of business to be submitted to the council. Present Monday night in addition to Moerlein were Samuel Whitmer, Police Committee chairman; Donald Pertney, Planning Committee; Steve Basarich, Light Committee; Paul Rutledge, Finance Committee; and Johnson, Fire and Water Committee. Also present were Alderman William McGee and City Building Inspector Earl Bloomquist.

**Rates For Treatment Pending**  
Moerlein said the pollution study committee still is working with the fiscal agent, bond attorney and engineer on a rate ordinance to set the monthly rental fees to be charged when the sewage treatment plant is built.

### Jeffries Are Parents Of First Child

Mr. and Mrs. James J. Jeffries, 132 Braintree, are announcing the birth of their first child, a daughter, Monday at Christian Welfare Hospital, East St. Louis. The baby weighed seven pounds, 11 ounces, and has been named Lynn Renee.

The mother is the former Kathryn Hill of East St. Louis. Mr. and Mrs. James Jeffries, 5244 Wabash avenue, are the paternal grandparents.

### Two Cars in Accident

Cars driven by Donald Pertney Jr., 25, of 2548 Benton street, and Donald Thompson, 2219 Bryn avenue, were involved in an auto accident at 6:15 p.m. Monday on West 22nd street near Illinois avenue after both halted for a stop sign.

the sewers under a revenue bond issue.

Moerlein said Wolf's proposal warrants consideration, since the city would benefit with more of the fee and also not have the bookkeeping expenses in making the refunds to the subdividers.

**Excavation On W. 22nd**  
G. J. Sternberg reported the need for a definite procedure for issuing sewer taps. He said he was summoned to the vicinity of West 22nd street and Highland avenue where there was a 90-foot-long excavation in the road to connect a home to a manhole. Sternberg pointed out the usual procedure is for such taps to be approved by the council. He suggested a set rule be established since the city will be responsible if there should be an accident because of the excavation. A permit had been issued from the city clerk's office, he said, based on an individual alderman's approval.

Reporting on the city engineer and motor fuel tax engineer positions, Sternberg said the special committee of aldermen is to meet at 9:30 a.m. Saturday to reach a final decision on recommending to fill the city engineer position. He said the committee also has received a proposal to go over four applications received from all over the state for the job of city engineer.

The commission is to report its findings to the council and also has the responsibility of preparing data setting forth a salary for a city engineer and an assistant. Sternberg said the repairs to Nameoki road and to Pontoon road also were discussed. Sternberg said the city plans to do a more thorough job of repairs to Nameoki road, but

## New Emergency Vehicle For GC Being Equipped

Granite City's new emergency vehicle—donated to the community by the Granite City Rotary Club—was delivered this week and is expected to be in service early next week.

The bright red station wagon will be used by the Granite City Fire Department for fire, rescue and first aid. The vehicle is equipped with a fire extinguisher, a red light and siren.

Its return here is set for next Tuesday when members of the Rotary Club, headed by James McGee, will be guests of the city and firemen for a dedication ceremony.

### Weather, Strike Hurt School Nine Prospects

Spring rains, hail, the week-long strike of custodians, and need for "cleaning" some of the practices picked up in Kibory and other boys' leagues, all add to problems in training and developing a high school baseball team, Joseph Fedora, coach of the Granite City baseball team, told the Granite City Rotary Club at its weekly luncheon meeting Tuesday.

Coach Fedora said his team has had little chance to practice so far this season, but he hopes to accelerate this by splitting his squad into two teams, each playing a double-header on Saturday mornings, one at home and the other away from home.

Although he has lost two of his top pitchers through graduation, he said there is no shortage of mound candidates with 11 trying out for the four regular berths. After some other changes in lineup that he has in mind, Fedora said he hopes to field a team that will rival last year's high performance.

A graduate of Southern Illinois University, Fedora has been on the local coaching staff since 1936. He was introduced by Raymond Williams, program chairman.

## TB X-Ray Unit Will Be In Madison on Saturday

Free chest x-rays will be available to the Madison-City public again Saturday.

The mobile unit of the Madison County Tuberculosis Association will be at the Dairy Market from 9:30 a.m. to 1 p.m. and from 2 to 6 p.m. on Saturday.

Results of the x-rays are noted by technicians and persons who should visit a physician are notified in three to four weeks. Other scheduled visits by the x-ray unit for the Quad-City public are:

At Venice city hall—9:30 a.m. to 1 p.m. on Saturday.

Moerlein reported he had received several complaints concerning appraisal figures set for property to be needed for the Nameoki road widening and also the construction of Federal Aid Route 151, which will parallel the Army Depot fence. "I've been told," he said, "that the appraisals set a figure for only one home and then base the others on that."

Further study is to be given types of liability insurance available to the city. Rutledge said the premium costs in the past 10 years have jumped from \$300 a year to \$20,000. It was suggested a deductible type policy be considered. The chairman stressed the need for insurance, especially since a \$31,000 judgment recently was handed down against the city. That suit, involving a sidewalk-curb fall, was handled by the insurance firm which quit the city in February.

Parties reported on the proposal for updating the city's 1958 master growth plan in which the Associated Retailers and Chamber of Commerce also are being called upon to aid in the financing. He said a detailed study is to be made of the central core, or business district for future development as well as the updating of the growth plans and maps.

## No Changes Planned In Store's Operations

Acquisition of virtually all P. N. Hirsch & Co. stock by the International Shoe Co. is not expected to alter the operation of the Granite City outlet or any of the other 109 Hirsch department stores, according to Gerald Shaul, local manager.

International Shoe announced plans to expand the Hirsch chain, which has sales of \$27 million per year. The chain primarily handles clothes and soft goods. The local store plans extensive interior remodeling starting July 1 but that was planned prior to the merger. Philip Hirsch will continue as president of the St. Louis-based firm.

## Secretaries Chapter Plans To Observe National Week

MISS JANE PULLIAM, a daughter of Mr. and Mrs. Hubert Pulliam, of Edwardsville, whose engagement to Leo Diffenauer Jr., a son of Mr. and Mrs. Leo Diffenauer Sr., 2134 Cleveland Blvd., is announced. The wedding will take place Sept. 12.

### Mrs. Baker Is PEO Delegate

The home of Mrs. Wesley D. Baker, 3848 Terrace lane, was the place of meeting Monday when Chapter III of the P.E.O. Sisterhood held plans for the state convention.

The program for the afternoon consisted of a talk by Mrs. Maureen Smith of Collinsville, area chairman of the Illinois P.E.O. Home. A letter was read from the state president, Mrs. Thelma Cox, concerning the coming state convention to be held in Chicago April 22-25. Mrs. Baker will represent the local chapter at the meeting.

The hostess served luncheon at one o'clock to 17 members and Mrs. Jimmy Baker, president, conducted the business session which followed.

The chapter will meet again April 27 with Mrs. Harold Kaiser.

### Mrs. McLester Is Hostess For FAC

Mrs. Edward McLester, 2332 Edison avenue, entertained the FAC Class of St. Peter E. & R. Church at a meeting in her home Monday evening.

All of the members were present and after a brief business meeting conducted by Mrs. Freda Bennington, president, the remainder of the time was spent in the enjoyment of their daughter, Miss Barbara Ann Resning, to Donald Robert Vonnahme, 117 Vandavia street, Collinsville, son of Mrs. Christopher Vonnahme, and the late Mr. Vonnahme.

The bride-elect was graduated in 1961 from the Collinsville high school and is presently a junior at Southern Illinois University, Carbondale. She is a member of Sigma Kappa social sorority and Zeta Phi Eta, national speech fraternity. Mr. Vonnahme was graduated from Collinsville high school and the University of Illinois where he became a member of Delta Chi social fraternity. He is now employed by the state of Illinois as a hydraulic engineer.

The wedding date has not been set. The Resning family has resided in Collinsville for the past 11 years.

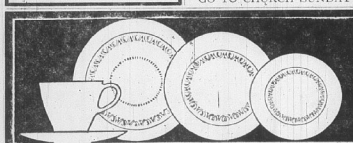

Refreshments were served by Mrs. McLester to 12 members.

# Newspapers Lists Numbers Of Stolen Money Orders

One hundred blank American Express money orders were stolen in the weekend burglary at the J. J. Newberry store, 1357 Nineteenth street, it was reported by the company this week. The values are limited to \$100 each, or a total of \$10,000. The serial numbers are SL 554 174 960 through 554 175 059. A door of a safe in the office at the rear of the store was pried off and an unknown amount of change also was taken. There was no sign of forced entry.

# Meeting Set Saturday For Retired Union Men

A meeting of retired union men and representatives of unions is set for 9:30 a.m. Saturday at the Labor Temple to determine if there is a need for establishment of a "drop-in" center to provide a lounge for the retired men.

A reminder of the meeting was issued today by Edward Hagmader, director of AFL-CIO Community services, and Earl Fronberger, chairman of a special "drop-in" center committee of the Tri-City Trades & Labor Council.

The meeting is to determine if the retired men want such a lounge, and if interest is shown, further meetings will be held, Hagmader said. The committee is seeking the support of local unions.

# GC Citizens To Meet On School Bonds April 30

A mass meeting to promote passage of a May 23 construction bond issue and tax election in the Granite City school district has been postponed from tonight until 7:30 p.m. Thursday, April 30, in the high school auditorium.

The postponement was decided upon early this week in order to have the meeting take place after settlement of current wage negotiations.

The meeting is being arranged by the 25-member nucleus of the citizens' committee. It is hoped to broaden the group to include between 500 and 1,000 persons who will be asked to attend.

# Census Bureau To Seek Data on Employment

Facts on employment and unemployment will be collected in the Census Bureau's current population survey in this area during the week of April 20, it was announced today by Director Theodore F. Olson of the Census Bureau regional office at Chicago.

Board meeting, which falls on Monday night, April 27, will not be held.

# Granite City PRESS-RECORD

Information furnished by local households will be combined with that gathered in 326 other sample areas of the country to obtain national estimates of the April employment situation. Similar inquiries are made in the Current Population Survey each month at the request of the Bureau of Labor Statistics, U. S. Department of Labor.

# \$40 Theft at Pool Hall

A bank bag containing \$23 in coins, \$17 in currency and a soda machine key were stolen Monday night at the Granite City Pool Parlor, 1911 State street, it was reported to police by Mrs. M. G. Masters, 2074 Madison avenue, Madison.

At Fredman Bros. we still remember those hot, muggy nights and sweltering days when you could hardly catch your breath and when, every time you sat or laid down, you got up wringing wet. If you remember those days and sleepless nights like we do but are afraid you can't afford to do anything about it, you'll be glad that now you can make sure you won't go through the same thing this year. . . . Fredman Bros. bought out all the 1963 Philco Air Conditioners left over from last summer in the factory distributor's warehouse at special close-out prices. We also made a special deal on the newest '64 models so we can offer them at lower than ever prices. Now, we're offering them to you, for a limited time only, at sensationally low pre-season prices. We won't be able to get or give prices like this later on so if you remember how hot it was last summer and think you would like to do something about it this year you had better hurry to take advantage of this great buy.

School Negotiating Procedures Revamped

Large Court Crowd  
Daley pointed out that a circuit court hearing room was overflowing with school employees last week when the superintendent was cross-examined in detail, "criticized" and "ridiculed" for performing duties directed by the board. Daley concluded that such a situation should be avoided because "it is not good for the educational system in Granite City."

The attorney noted that while he has carried out instructions to participate as a negotiator, his field of knowledge is the legal aspect of employee agreements rather than the status of school finances.  
It was decided to retain Dr. Kaiser as a member of the negotiating team because he is not only well versed on finances but also is the administrator who must implement and "live with" pay and other agreements reached in talks with employee groups.  
Possibility of developing some kind of a "neutral" person to aid board member-negotiators at some future time was referred to briefly Tuesday night to the board.

GC Steel Promotes Wilfred J. Edmonds

Wilfred J. Edmonds has been appointed director of iron and steel for the Granite City Steel Co., one of the area's largest users of rail, truck and river barge shipments, it was announced Tuesday. Edmonds has been the company's general traffic manager since 1949.

Edmonds is chairman of the Inland Waterways Committee of the National Industrial Traffic League, a director of the St. Louis-East Side Traffic Committee and a member of the traffic committee of the American Iron and Steel Institute. He is a former president of the Traffic Club of St. Louis, Inc., and a director of the Mississippi Valley Association. He was one of the founders and first chairman of the East Side Transportation Forum.

Edmonds is completing his 40th year at Granite City Steel at the age of 54. He is married, has three children and lives at 35 Oak Park drive, Creeve Court.

**Young Driver Hears Whistle, Turns—Crash**  
A teenage motorist who turned his head when he heard someone whistle, crashed his auto into a parked car at 14th street and Granite avenue.  
The youth, David Harrison, 16, of 1739 Chestnut street, told police he was making a left turn on 14th street onto Granite avenue when he heard the whistle and turned his head. He was proceeding him and applied his brakes and swerved at the same time. The rear of his 1964 Buick, a parked car belonging to Robert Young, of 2076 Fourteenth street.

**Lazenby Return From Convention at Springfield**  
Mr. and Mrs. Cabell Lazenby Jr., of Lazenby Photographers, 2837 Wayne avenue, returned Tuesday from Springfield where they attended a state convention of Associated Professional Photographers of Illinois at Hotel St. Nicholas.  
Speakers were heard on color photography of men, women and children; salesmanship; technique; and there was a morning with Van Moore, master photographer and author of "The Art of the Photograph." Mrs. Lazenby also attended an all color clinic, an awards banquet in the ballroom of the hotel, a trade show of equipment and supplies and a talk on new ideas in framing. One of the highlights of the meeting was a tea given in the Governors Mansion with Mrs. David Beatty of Springfield as hostess.

# Was your breezeway a freeway last winter?

Portable electric heaters give you 12 months enjoyment of those hard-to-heat rooms

Spring is here. But if, during the winter weather, you suffered from hard-to-heat areas in your home—breezeway, bathroom, basement, or laundry—now is the time to do something about it.

Get a portable electric heater. Just plug it in. No venting needed. That's all you do for extra warmth, when and where you need it.

And not just for winter. You'll use a handy portable electric heater right now in spring when the temperatures can see-saw... on cool evenings in summer when the furnace is off... in the first cold snap in fall before the storm windows are up.

And be smart. Shop for an electric heater while fresh dealer stocks give you a complete choice of attractive new models. Prices start at about \$10.

C. of C. Membership  
Drive Set for May 13

The Tri-Cities Chamber of Commerce will hold its annual one-day membership drive on May 13, according to Carl E. Mathias, vice-president.

Mathias said that there will be 12 six-member teams working that day to invite non-member firms to join the chamber.

Team captains are: Robert E. Backs, Harry B. Hood, David E. John, E. A. Ransdell, Arthur P. Koepfer, Charles A. Meyer, Ralph A. Morris, Walter M. Rozzicki, John L. Seelack, Paul D. Strout, E. G. Schmitt and Harry Wolff.

Steel Company Settles  
For Fish Kill in Lake

Granite City Steel Co. has paid \$1454 to the state as a settlement for fish killed by pollution in Horseshoe Lake, according to Atty. Gen. William G. Clark.

Clark also said the firm would settle with a commercial fisherman who lost fish kept in weirs in the lake. The fisherman was unnamed in Clark's statement.

26th-Madison Accident

Richard J. Rokita, 27, of 2405 Glenn place, was charged with following too closely when his car struck the rear of an auto driven by Raymond Warren, 23, of 2325 Delmar avenue, on Madison avenue as Warren stopped to make a left turn onto 26th street. Rokita told police he tried to get around Warren but another car cut him off. Both vehicles were damaged.
